

# COVID-19 TESTING CLINICS

**Influenza testing:** In addition to COVID-19 testing, free testing for Influenza A and B is also available to those who are symptomatic – results in 15 minutes. **Test to Treat:** *If you test positive for COVID-19 and qualify for treatment, you can be prescribed and given medication on-site at the **LHI testing locations** listed below. Please note: Though each site should offer this option, please check with LHI personnel as you arrive to be certain that the clinic has the necessary staffing to prescribe medication on-site.*

# CLÍNICAS DE PRUEBAS DE COVID-19

**Pruebas contra la influenza:** Además de las pruebas contra la COVID-19, si usted tiene síntomas, también estarán disponibles pruebas gratuitas contra la influenza A y B, con resultados en 15 minutos. **Prueba y Tratamiento:** Si su prueba para COVID-19 es positiva y califica para el tratamiento, se le puede recetar y dar la medicación en el mismo sitio donde se hizo la prueba. Este programa funciona en los **lugares de prueba de LHI** que se enumeran a continuación. Nota: Aunque cada centro debería ofrecer esta opción, consulte con el personal de LHI a su llegada para asegurarse de que la clínica cuenta con el personal necesario para recetar la medicación in situ.
